Omar Hisham Senior Manager omar.hisham@keypoint.com +973 1720 6877 +973 3833 8640 Tax avoidance has become an increasingly controversial topic. Businesses in lower tax environments - like Bahrain - are increasingly expected to be able to prove they meet economic substance requirements (ESRs). Join Bahrain's specialist tax team for a discussion on what Bahrain is doing to comply with the minimum standards set by the OECD to 'counter harmful tax practices'.

What will be covered?

- Why have these rules been introduced?
- What is economic substance?
- How is Bahrain approaching ESRs?
- Compliance deadlines

Who should attend?

- Chief financial officers
- Heads of finance
- Financial directors
- Financial controllers
- Heads of tax

How much does it cost?

This webinar is free.

When is the webinar?
